EXPERIENCE

FRONTEND DEVELOPER

Cabinetworks Group

November 2022 - Present, Ann Arbor, Michigan

- Designed and developed WordPress and BigCommerce websites, resulting in increased online visibility and engagement.
- Implemented custom code and enhanced website functionality using jQuery and PHP, resulting in faster page load times and improved user experience.
- Created and executed highly effective email campaigns using Salesforce Marketing Cloud, resulting in increased open and click-through rates for targeted audiences.

EMAIL MARKETING SPECIALIST

Direct Mortgage Lending

July 2022 - November 2022, Bingham Farms, Michigan

- Developed email campaigns from scratch using HTML tables and CSS.
- Supported the full campaign lifecycle as necessary, including designing, testing, and optimizing email content.
- Used Hubspot CRM to run effective email campaigns and personalize emails to clients for better engagement.
- Created and distributed surveys for data collection and analysis, to gain insights into customer preferences and behaviors.

Full Stack Web Developer

Alpha1Sales

June 2021 - May 2022, Madison Heights

- Designed and developed a custom website for a wholesale company using React JS, Express, and MongoDB from the ground up, to replace their existing Wix site.
- Collaborated with clients to understand their product needs and preferences, discussing prices, images, and other details.
- Created an API to retrieve and display product details on the website, improving user experience and navigation.
- Managed graphic design, product images, and item listings after launching the site, improving the website's functionality and overall appearance.

Graphic Designer/ Front End Web Developer

Freelance

November 2020 - May 2021

- Developed compelling portfolios for UX/UI designers, showcasing their work and skills to potential employers.
- Created visually stunning graphic designs for Instagram food bloggers, boosting their social media presence and engagement.
- Maintained regular communication with clients throughout the design process, actively incorporating their feedback and revisions to ensure project success.
